then on Page 11, line 27 we put in the language, "There is hereby included in the amount shown \$150,000 Cash Fund which is hereby transferred from the Vehicle Safety Inspection Cash Fund to the Motor Vehicles Computerization Fund." PRESIDENT: Any further discussion? The question is the adoption of the amendment. Record your vote. Record.

CLERK: 28 ayes, 0 nays, Mr. President.

PRESIDENT: The amendment is adopted. Senator Marvel moves to advance the bill.

SENATOR MARVEL: Yes, I so move.

PRESIDENT: Any discussion. All those in favor say aye. Contrary say nay. The bill is advanced.

CLERK: Now, Mr. President, I move to return LB 607 to Select File for specific amendment. Signed Senator Cavanaugh. The specific amendment is as follows: Read amendment. See Page 1766, Journal.

SENATOR CAVANAUGH: Mr. President, members of the Legislature, I think I made a mistake originally on this. This relates to the Board of Nursing and LB 422 and I probably should have attached an A bill to 422. This is for \$7,000 which I understand the Board of Nursing feels will be the fiscal impact of 422, which is the rewriting of the licensure act for nurses and I could have done it with an A bill which I didn't do and this would put it into their general appropriation. Under those circumstances, I would hope that you would adopt the amendment.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, I have a question of Senator Cavanaugh. Senator Cavanaugh, my understanding of the nurses licensing board is that they are self-supporting through their cash fund, is this correct or incorrect?

SENATOR CAVANAUGH: That's correct.
